

CALL FOR NOMINATIONS
Society for Social Work and Research
2024 AARON ROSEN LECTURE

The Society for Social Work and Research (SSWR) established the *Aaron Rosen Lecture* in conjunction with the Brown School of Social Work at Washington University in St. Louis to honor the lifetime achievement of Dr. Rosen and provide the SSWR membership with an annual scholarly lecture that will move the field forward in terms of the integration of practice and research.

Nominees for the Aaron Rosen Lecture should have accumulated a body of significant and innovative scholarship relevant to practice, the research base for practice, or effective utilization of research in practice. Preference will be given to nominees whose scholarly innovations directly speak to our profession's value base of social justice and inform practice methods and models that disrupt rather than replicate colonizing cycles and representations of oppression, disenfranchisement, marginalization, and its lived experience. They should also have published work indicative of the ability to provide a definitive lecture at the 2024 SSWR Annual Conference, January 10-14, 2024, in Washington, DC, that addresses some of the challenges associated with the integration of research with practice.

Nomination Materials

- Letter to the SSWR President describing how the nominee meets the above criteria and indicating how the nominee would provide an innovative and challenging lecture.
- Curriculum Vitae;
- Nominee's headshot (high-resolution .jpeg).

Only SSWR members may submit nominations. The SSWR Board has set a policy that no sitting member of the Board may be nominated for this award. Nominators may only nominate one nominee for this award.

All nominations must be received by June 30, 2023.

Nominating letters should be sent electronically to:

Dr. Sean Joe, SSWR President
